Instructions for the payment of the registration to the Congress

- a. Once the nomination of a paper, a poster or a symposium was evaluated and approved by the Scientific Committee, an email will be sent to the participant’s registered email in the Congress management system (ConfTool).
- b. Upon receiving this communication, the candidate of the application must contact the organizing committee via email at support@amse2020.org in advance and give the following information:
 1. If you are going to participate in the Congress with the discounted rate (you have joined the WAER in the current year or you are going to adhere before March 31, 2020) or, if you will participate with the full rate (without joining the WAER) .
 2. This information must also be provided, in the case of a free presentation or a poster with co-authors, for those co-authors who plan to attend the Congress and, in the case of a symposium or colloquium, for all its members.
- c. With the above information, the Organizing Committee will assign the registration fees corresponding to the different categories of participants, notify each participant and enable individual registrations to the Congress via ConfTool.
- d. All registrations, including those of the co-authors attending and that of the members of a symposium or colloquium, have to be done individually.
- e. The adhesion to the WAER can be done before or after the registration to the Congress. However, it is important that it be carried out during the registration period stipulated by the Organizing Committee: until March 31, 2020 inclusive.
- f. The adhesion to the WAER can be made directly on the Association website <https://www.amse-amce-waer.org/adherer>, link that can also be accessed from the Congress site. Any difficulties with the payment of membership to the WAER, please contact mail@wixinvoices.com
